| <b>Dislikes</b>                          | Dairy and Gluten   |

### How can we pray for you this school year?

I want my students to have a deeper connection and love for our Lord. I want our classroom to overflow with the presence of the Holy Spirit as He guides each day through my words, actions, and steps. I want my students to know they are cherished both by Him and by me.  
I'd also appreciate prayers for my family. ♥
